Alliant Small Business GWAC

GSA's Alliant Small Business (SB) is a multiple award, indefinite-delivery, indefinite-quantity (IDIQ) Government-wide Acquisition Contract (GWAC) offering comprehensive and flexible IT solutions worldwide. All awardees have top secret facility clearances and can provide best-value Information Technology (IT) solutions to federal agencies globally, while strengthening opportunities in federal contracting for small businesses.

The scope of Alliant SB is aligned with the Federal Enterprise Architecture, which encompasses all components of an integrated IT solution, including new technologies that may emerge during the life cycle of the contract. This GWAC provides IT solutions through performance of a broad range of services, which may include the integration of various technologies critical to the services being acquired.

ASB Features	Benefits
A \$15 billion dollar program ceiling and a five-year base period with one five-year option	Allows for long-term planning of large-scale program requirements
Scope aligned with Federal Enterprise Architecture (FEA) and Department of Defense Enterprise Architecture (DODEA)	Conforms to Office of Management and Budget (OMB) policy mandates for IT investments and coincides with the current IT definition at any given time
All contract types, e.g., fixed-price, cost-reimbursement, labor-hour and time-and-materials	Offers flexibility of contract types for optimal risk mitigation
Ancillary support permitted when it is integral to and necessary for the IT services-based outcome	Facilitates integrated IT solutions
Pre-competes easy-to-use contract with streamlined ordering procedures based on FAR 16.505	Saves time and money by reducing procurement lead time
4 to 5 bids on average per task order	Right number of proposal for competitive evaluation while meeting quick time-lines

“Easy access to end-to-end Information Technology (IT) Solutions”

GSA's Government-wide Acquisition Contracts provide comprehensive IT solutions through customizable hardware, software and services solutions purchased as a total package.
